

# AFRICA EDUCATIONAL FORUM

26 Sep 2019

## Information

This is a must-attend event for everyone interested in getting practical knowledge and partnership with universities in East Africa and learning on best models for the development of academic mobility and student recruitment. A professional educational forum bringing together African and foreign educational professionals with the aim of cooperation and networking.

### **At the Forum you will be able to:**

- Discover the growing educational space of East Africa. Over the past 15 years, the number of students in sub-Saharan Africa has increased from 2, 25 to 6.34 million.
- Find partner universities for joint educational programs. Only in Kenya, over the past 10 years, the number of universities has increased from 14 to 74 (2018), where more than 500,000 students are studying today.
- Learn about working recruitment models for international students from the region. The geography of studying abroad for 25,000 Kenyan students is diverse and includes both traditional directions for this country (the United States, the United Kingdom and neighbouring Uganda and Tanzania), as well as new ones, for example, China, where more than 2,400 students from Kenya are currently studying.

### **Forum participants**

International leaders and experts of state and public organisations, foundations, scientific and educational organisations, principals and vice-principals for international cooperation and marketing of higher education institutions, deans of faculties, directors and leading experts of educational agencies and consulting companies specialising in the field of foreign education.
