The fair benefits from a strong regional reputation and extensive communication campaigns including digital marketing, radio spots, local press and outreach in more than 300 schools.

Market Overview

Each year, more than 63,000 French students undertake tertiary studies abroad, with 47,000 French students taking degrees in non-native European Union countries. France has a population of 62.9 million with a per capita GDP of US \$31,096 and is the third-largest economy in Europe after Germany and the UK. French higher education has a long tradition of openness and accessibility*. The national government devotes 20 percent of its annual budget to education. Fees for both French and international students are kept very low to persuade students to stay in education as long as possible. There are about 190,000 international students, from all over the world, currently enrolled in French higher education.

A series of workshops and lectures are scheduled to happen at the fair. Workshop subjects include 'Successful Admission to the Master 2' and 'MBA, Masters and double degrees'.

Personal coaching workshops will be held to accompany and guide students by representatives of BIOP (Bureau d'Information et d'Orientation de Paris) and the CCIP (Chambre de Commerce et d'Industrie de Paris).
