

Hong Kong International Education Fair - Spring

Information

Hong Kong International Education Fair has become the most popular and informative education event in Hong Kong since its debut in 2004. The large-scale and well-found study resources exchange platform favour this event to be the most popular summer Expo of its kind in the city.

Reasons to Attend

The fair is well-positioned to continue delivering rich information exposures and timely preparation for candidates* and parents in tandem with the release of 1st HKDSE and HKAL results.

In 2017, over 20,000 visitors and 400 education providers from 20 countries and regions (Hong Kong, China, the U.K., the U.S., Australia, New Zealand, Canada, Switzerland and Japan), gathered to provide students with latest career-oriented programs and academic courses. A wide spectrum of learning programs in diplomas, higher diplomas, associate degrees, bachelor degrees, master degrees and vocational trainings will be available.

Market Overview

Hong Kong is a Special Administrative Region of the People's Republic of China and has a population of 7 million people. It is a dynamic market environment, now being influenced positively by major education reforms and changes to the academic structure being phased in between 2009 and 2012.

There is a well-established tradition among Hong Kong families of sending their children to study overseas. According to a Thematic Household Survey Report on 'Hong Kong students studying outside Hong Kong', by the Census and Statistics Department in December 2010, there were 66,700 people aged 25 and below who intended to study outside Hong Kong in the next five years.

Fair Outline

The fair is widely supported by various youth organizations and associations, educational professions and media parties. To cope with challenges in highly competitive knowledge-based community, we aspire to stride across the transitional period of the 3.3.4. education system with students, encourage them to pursue promising future with global vision through whole person education.

Event Highlights:

- Over 200 local and overseas educational institutions enroll students on-site
- Various associate degrees and diplomas open for application
- Over 30 seminars cover details of various studies information and trainings
- Career-oriented curriculum

- Prizes for daily lucky draw winners

*Keen Competition in 2012 Public Examinations:

- 1st HKDSE - 77, 000 candidates strive for merely 15,000 4-year curriculum vacancies among local universities
- HK A-Level - 36, 000 candidates strive for merely 15,000 3-year curriculum vacancies among local universities

International Education Exhibition in Mongolia - Fall

Information

The International Education Exhibition Fall in Mongolia is the place where educational providers worldwide have the opportunity to meet with talented and intelligent students from Mongolia. The fair offers a unique opportunity to learn more about studies abroad first hand, to choose programmes and courses and decide on educational institutions for studies.

Reasons to Attend

The International Education Exhibition in Mongolia has grown to be a leading education exhibition, where thousands of serious and motivated students and their families meet with prestigious education providers from all around the world. The Mongolia education fair will attract prospective students, concerned parents, academics and teaching staff as well as professionals from all walks of life.

There is a growing interest from the mass media and governmental organisations in developing this educational event, which has become an important entry on Ulaanbaatar's calendar. Students with their families take part in all the activities during the exhibition days. Strong targeted links with local universities and schools ensure the right visitors attend the fair. Education providers have the opportunity to grow quickly in this emerging student market.

Market Overview

The Mongolian student market is developing as the economy rapidly expands due to investments from foreign companies. Living standards are on the rise and for many people the prospect of sending their children to study abroad is becoming a reality.

The USA accounts for nearly 1,000 students with other popular destinations including UK, Canada, Australia, Germany, Japan, South Korea, Peoples Republic China, Taiwan, Malaysia, and Singapore.

Enrolments in private higher education institutions have tripled since 1995, and there have also been large enrolment increases in public sector institutions. Around 30,000 students enter Mongolian universities and colleges every year (Ministry of Sciences, Education and Culture, 2003).

Fair Outline

International Education Exhibition Mongolia draws its maximum student participation, thereby ensuring exceptional quality. It is organized with the specific objective of helping institutes of higher learning reach a national cross section of students who have the qualifications and the means to contemplate further education.

As an exhibitor at this student fair you will have advantages such as:

- Face-to-Face personal access and interaction to all the students, parents and top decision markers and representatives from all over Mongolia.
- The opportunity to feature and demonstrate your new perspectives and programmes in a one-to-one environment.
- Meet and find local authorised partners and agents.
- Recruit students to study at your institution abroad.

Malaysia- Education Fair - Winter 2019

Information

The Education Fair Peninsular Malaysia will take place throughout Malaysia.

Reasons to Attend

As one of the largest education fairs in this region, the education fair in Malaysia is perfectly timed, when over 500,000 students are expected to finish their SPM, STPM, O & A levels examinations.

Market Overview

Over 79,000 students from Malaysia choose to study abroad each year. Malaysia is both modern and traditional, and the country proudly boasts five universities appearing in the QS World University Rankings.

Efforts have been made to encourage private sector's involvement in providing industry-relevant education so that Malaysia can become the world's 6th biggest education exporting country by 2020 with a target of 200,000 international students.

Fair Outline

Supported by the Ministry of Education & Ministry of Higher Education, the Malaysia Education Fair is superbly timed because it will be held around the end of the SPM and STPM examinations and the release of UEC results. During this period, students and parents will be eagerly collecting vital information on programs and institutions of higher learning to pursue their further education. For many students, a visit to the education exhibition marks a new phase in their life. This is where they made their decisions not only on the choice of their program, but also the education institutions to help them build their future. For others, the fair is a place for them to gather information to help them make an informed choice for their educational needs.

Take the opportunity to present and promote directly to your future students your latest educational programs and benefits and advantages that you offer for them.

The Fair is officially supported by the Ministries of Education and Higher Education in recognition for its success and contributions to the education sector.
