

# A2 INTERNATIONAL STUDENT FAIRS IN TURKEY - FALL

## Information

We invite you attend the Fall International Student Fairs in Turkey. We are pleased to offer this great opportunity for international schools keen on recruiting students from Turkey.

The International Education Fairs in Turkey are the only international study abroad fairs in the country supported officially by UED (The Association of International Education Counsellors of Turkey) and its prestigious member agencies.

## Reasons to Attend

In Fall 2016, the education exhibition received over 13,100 students in 5 days and secured over 120 institutions from 15 countries (Australia, Azerbaijan, Canada, China, Cyprus, France, Italy, Latvia, Russia, Spain, Switzerland, The Netherlands, Turkey, USA, & the UK). In addition to the international institutions, counseling agencies and the local & International sponsors, Austrade, British Council, CampusFrance, DAAD, Fulbright, Institut Francais, US Embassy, US Consulate, UED, Consulate of Ukraine, exhibited at the fairs.

Teenagers make up 30% of Turkey's population, two times higher than the EU average. In 2010, over 1.5 million students took the National University Placement Exam and only 327,869 students were placed in a four-year university in Turkey. Turkish students are looking to foreign institutions for admission.

## Market Overview

Turkey is a quickly-developing country, with the youngest population ratio in Europe and a clear market for overseas education. Turkey has a long history of placing great value in education and the pursuit of lifelong learning. Each year sees approximately 1.65 million Turkish students compete for only 529,000 entrance positions in post secondary institution.

- 2.5 million students are currently studying in the Turkish Higher Education System
- There are 141 State Universities, and 53 Private Universities in Turkey
- 1.5 million students will be seeking undergraduate education in August
- 800,000 students will be placed in undergraduate programs in Turkey
- 100,000 undergraduate students will seek education abroad
- 2 million undergraduate and graduate are currently looking for overseas education opportunities

## Fair Outline

Taking place in Izmir, Ankara, Istanbul (European and Asian sides), the exhibition takes place at the time of the year when students start seriously thinking about their next step in education.

In the past 10 years, over 500 different institutions from 35 countries have attended the International Student Fairs in Turkey to promote their schools and meet thousands of students at these events. The International Education Fair in Turkey attracts the best student participation. The fair has a reputation for attracting the highest quality students. It attracts the most capable and qualified candidates.

Did you know that each year over 1,5 million Turkish students take the National University Placement Exam, but only 30% of them are placed in a university in Turkey? According to the Ministry of Education Statistics, more than 25,000 Turkish students preferred to study abroad in 2004. Including summer school and short-term tourist visas, the total number of students going abroad is over 40,000 annually.

International Student Fairs in Turkey are known for being a pioneer in student recruitment fairs with its 20 years experience in student recruitment. The fairs will utilize numerous forms of mass communication to deliver the best promotion which includes: local and national TV, radio, newspapers, magazines, billboards, text messaging, internet spots, etc.

The International Education Fairs in Turkey offer you a chance to meet thousands of eligible students, and it is a wonderful opportunity to network with many education agencies, local and international organisations, and foundations within a cost-effective budget.

The event will also include various social activities and we hope you will enjoy it!

# IEFT INTERNATIONAL EDUCATION FAIRS OF TURKEY ROADSHOW- FALL

21 Oct 2019 - 30 Oct 2019

## Information

The fair welcomes nearly 20,000 Turkish students to each of the semi-annual fairs. Throughout the past 10 years, the International Education Fair of Turkey has grown to become the largest education exhibition in both Turkey and the Middle-East, with universities from more than 30 countries attending every year.

## Reasons to Attend

The Fair focuses solely on the Turkish Market, and therefore has built a reputation with students throughout the country through strong marketing and promotion of the exhibitions, and excellent relationships with local high schools, universities, language schools and Turkish agents. The previous Fall event welcomed over 300 exhibitors representing over 150 institutions from 27 different countries to the events in Bursa, Ankara, Izmir, and Istanbul.

## Market Overview

Turkey is a quickly-developing country, with the youngest population ratio in Europe. The country is working towards being in the top 15 economies of the World by 2020; so now, more than ever, there is a large market for a skilled, educated, globally-minded current and future workforce.

The demand for studying abroad is not only from secondary school students and graduates, but also from 2.5 million university students. The majority of Turkish university students know the role and importance of study abroad in getting a better job in a competitive business world. There are approximately 3.5 million students studying at Turkish universities which also includes Open University students. Around 2 million of them are studying on a 4 year course.

There are around 350,000 university students in Istanbul at around 50 universities. Over 200,000 students at around 20 universities in Ankara. Izmir has 9 universities and 110,000 university students.

## Fair Outline

Fair students are from very respected universities and high schools of Turkey. The international education fairs in Turkey are also visited by a number of young and experienced professionals looking for education opportunities abroad. The Fair has a professional and hands-on approach to meeting the needs of our participating institutions, and also to bringing the highest quality Turkish students to its fairs. The Fair is committed to making the recruitment process both successful and enjoyable for both participants and students.

Students attending the exhibition are looking for education all over the world. While the UK and the USA continue to dominate student interest, they are looking more and more towards programs in Canada, Europe and Asia.

We give participating institutions complete support before, during and after the fairs, including:

- Material transportation between cities
- Professional stands with the option of uniquely designed backdrops
- Local high-school and university visits
- Free promotion in IEFT's Study Abroad Magazine, distributed to nearly 20,000 student visitors
- Optional web banners, flyer distribution, newspaper advertisements, and any other promotional branding needs an institution may have
- Well-organized accommodation and transportation options
- Complete visitor statistics sent to all participants upon completion of fair tour
- Amazing social and cultural activities throughout fair

# INTERNATIONAL EDUCATION EUROPE ROADSHOW - FALL

24 Oct 2019 - 29 Oct 2019

## Information

The Europe Roadshow offers international education institutions, of any discipline and from any country, the opportunity to present their courses to thousands of pre-selected and pre-screened students in Italy's and Spain's most productive markets during Italy's and Spain's leading International Student Recruitment Fairs.

### Reasons to Attend

The International Education Europe Roadshow held in October 2018 received 4,300 students and 53 institutions from around the world in attendance for the total exhibition.

Language schools, colleges, universities, high schools, IT colleges, business schools, hotel schools, postgraduate and MBA programs from more than 40 countries have experienced increased enrollments and brand awareness through these recruitment events. Student participants are screened through online questionnaires to ensure only the highest quality visitors attend the events. Each attendee's capability and desire to study abroad is assessed, ensuring that invitations are sent only to those who have the genuine intention and the financial means to study abroad.

### Market Overview

According to the latest data from UNESCO the total number of students from Spain studying overseas was over 22,000. Italian students and international students pursuing their studies in Italy have been increasing for a number of years. According to Top Universities data, with a population of more than 1.8 million students enrolled in tertiary education, close to 3% of Italian students spend a period of study time abroad.

Europe constitutes one of the biggest markets for international education, generating billions in revenue for institutions around the world. The multi-country Roadshows in Europe, allow you to get the most out of several strong markets in a short time. Spain takes the lead in languages, where the government offers scholarships for language courses abroad. The fair also visits Italy, a very strong market for language schools and universities.

### Fair Outline

- High student quality: Student participants are screened through online questionnaires to ensure only the highest quality visitors attend the events.
- Highest returning client rate in the market: 81%
- Agent Meeting Place: All participants are provided with the contact details of agents in each of the expo cities at no additional cost.
- Logistics: Studycentral is happy to arrange all your accommodation, transportation, and translator needs.

## About the Cities on The Europe Roadshow

- Rome: The country's largest and most populated city. Italy has played an important role in the European higher education landscape as one of the four countries that initiated the "European Area of Higher Education," this way the higher education reform known as the "Bologna Process" (Bologna Declaration, June 1999) came to life and is being implemented all over Europe today. There are more than 30 universities offering international study programmes taught in English ranging from short certificate courses to entire Bachelor's, Master's, postgraduate or PhD programmes.
- Milan: It is the second-largest city in Italy. The city remains one of Europe's main transportation and industrial hubs, and Milan is the EU's 10th most important centre for business and finance with its economy being the world's 26th richest by purchasing power.
- Barcelona: The combination of quality educational opportunities and a stimulating cultural environment makes Barcelona a first-class destination. Thanks to the city's efforts to promote internationalism and continually better the quality of its programs, students can look forward to a rewarding experience that will also serve them well when pursuing future academic and professional endeavours.
- Madrid: The capital and the largest city of Spain, Madrid is located almost exactly in the geographical center of Iberian Peninsula. After London and Berlin, the city is the third most populous city in European Union. Further, its economic, political and cultural importance makes Madrid one of the major cities of the world.

The fairs are supported by Austrade, DAAD, Campusfrance, Education New Zealand, Education USA, British Council and NUFFIC.

# STUDYRAMA INTERNATIONAL EDUCATION & CAREER FAIR - PARIS - FALL

## Information

The Studyrama International Education Fair Paris aims to help students find an international education and/or career path abroad. The International Education and Career Fair also aims to represent a substantial number of industry sectors for prospective employees to investigate different career paths. The objective of the event is to develop a dynamic continuum of the various opportunities available in the sectors for students and young professionals with all levels of experience.

## Reasons to Attend

This not to be missed event addresses French students at the undergraduate or graduate level as well as students from abroad who wish to find information on an international curriculum. It is also directed towards young graduates and the currently employed who would like to give their career a more international dimension.

## Market Overview

Each year, more than 47,000 French students take degrees in non-native European Union countries. France has a population of 62.9 million with a per capita GDP of US \$31,096 and is the third-largest economy in Europe after Germany and the UK. French higher education has a long tradition of openness and accessibility\*. The national government devotes 20 percent of its annual budget to education. Fees for both French and international students are kept very low to persuade students to stay in education as long as possible. There are about 190,000 international students, from all over the world, currently enrolled in French higher education.

## Fair Outline

Among the present institutions: Prestigious schools and French universities, European establishments (German, Swiss, Spanish, English, Belgian), North American establishments (American and Canadian universities), Australian establishments, and a Language Pavillon offering linguistic travel with language courses abroad.

## The international mobility/living abroad area

-A number of French and European institutions will be available for consultation and international recruitment firms.

-International mobility agencies will be present to give advice and information to visitors looking to move abroad.

Visitors are attracted to the wide range of exhibitors and services provided by the fair including a bookshop with specialised works on living and studying abroad. Conferences and lectures will be held throughout the day to offer a broad spectrum of employment options from various industry sectors and the new tendencies in recruitment. Visitors will also receive copies of "The Official Studyrama Guide to International Education", which will be given

out at the international guide desk at the front of the fair.

This fair is the pre-eminent way for skill and opportunity to join together in a functional environment. This is a great opportunity to promote your services and to enrol students and graduates.

\*Sourced from Education New Zealand and EU figures on cross-border study.

# THE BALTIC INTERNATIONAL RECRUITMENT TOUR - FALL 2019

## Information

The biggest Baltic State specialised public fair for International Education is taking place in three capitals – Vilnius, Riga and Tallinn during September 2019. Organised in a workshop style, the fair provides a relaxed atmosphere of the Radisson Blu Hotels' conference centres for the representatives of language schools and executive centres, boarding schools and colleges, universities and business schools.

## Reasons to Attend

The Baltic International Recruitment Tour is the biggest specialised education abroad event in the Baltic States. The fair features unique educational institutions that represent the wide range of educational and professional programmes: general, intensive and special language courses, basic and secondary education, further education and professional training, diploma programmes, BA/BSc, Masters/MBA, postgraduate and others. Visitors from various target groups including schoolchildren and their parents, young people and students, adults and business people, representatives of private and state companies and organisations, mass media. Each year the fairs receive 2,000 – 5,000 visitors in each country.

## Market Overview

More and more students from the Baltic States tend to look for opportunities to gain high quality international education, professional training and experience. Foreign language courses are becoming increasingly popular among people of different ages and occupations. Every year the number of students going abroad to language schools and universities is steadily growing.

The Baltic region has a long tradition of providing high-quality education. For young people it is a vibrant and international environment with the possibility to make use of the latest developments in different study fields, which makes the region an attractive place for living and studying. According to statistics from a poll by the non-profit organisation Dream Foundation, over 60 percent of Baltic students would like to study at a foreign university.

## Fair Outline

The fairs are free to access by the public, allowing visitors to get acquainted with the student fair's participants; their courses and programmes and to take enrolments. On the other hand, education providers have the opportunity to meet and support their education agents, the Baltic Council and to establish new contacts.

The success of this fair is based on qualitative service and professionalism of the organizers combined with broad promotion campaign providing return of investments for the fair's participants.

During the last several years the Baltic States (Latvia, Estonia and Lithuania) have become more attractive for

education providers from all over the world. This is not a casual interest, but a developing tendency proving that the potential and demand for the educational industry abroad in the Baltic region is very high.

The Baltic international recruitment tour has been in place since 2005 with a growing number of participants and a strong presence of institutions presenting their programmes and services. The potential for the development of the education industry abroad is very high in the Baltics and the demand for quality programmes will continue to grow.
