ICIEP INTERNATIONAL EDUCATION FAIR IN RUSSIA - FALL

Information

The 32nd International Education Fair is a top student recruitment event for undergraduates, postgraduates and people with professional work experience. The fair will take place in Moscow and St Petersburg, Russia, in October 2018.

Reasons to Attend

The fair has become the largest international education exhibition in Russia, providing students with access to global study opportunities, and it has also created new recruitment opportunities for foreign education institutions in Russia.

The exhibitions are open to all institutions and organizations from around the world. The fairs have been attended by institutions of education from Australia, Belgium, Canada, Cyprus, Estonia, France, Germany, Greece, Hungary, Israel, Italy, The Netherlands, Russia, Spain, Switzerland, Turkey, UAE, UK, USA, and many more.

It's also the core event of the project Marketing and Promotion of International Education in Russia.

Market Overview

The Russian government has revealed plans to encourage students to study abroad, by funding up to 10,000 students a year to attend some of the world's leading universities. According to a recent survey, education investment has become the favourite choice of many Russian parents. Students and parents alike are looking forward to finding out about opportunities to study abroad, making this event essential both for visitors and recruiters. International experts forecast that by 2020 Russia may enter the top-5 list of leading "demand states" in the world educational market, and the amount paid for education by the Russian students will triple.

The number of Russians receiving an education abroad has grown significantly over the last few years, with English language programs being the most popular courses according to data released by AcademConsult, a local company that organizes study abroad for Russian students.

Every year more and more Russian students pack their bags and go to study abroad. The most popular destination is Europe. Latest survey indicates that every third Russian student who is going to study abroad selects United Kingdom, every sixth-seventh - France or Germany. Study in Finland, Sweden and Netherlands is more and more attractive for many young Russians. High quality of Swiss education in the field of hospitality industry is well-known here. USA and Canada are the most popular destinations for studying abroad outside of Europe.

Fair Outline

Each day will attract 1,500 - 2,000 attendees, including Russian secondary school leavers, first, second and final-year university, graduates with work experience, low-level managers and mid-level managers.

The fair attracts exhibitors from countries worldwide, including several governmental bodies and/or their education promotion arms such as the Spanish Embassy, Agency CampusFrance, the Canadian Education Centres Network, German Academic Exchange Service and DAAD.

INTERNATIONAL EDUCATION & CAREER FAIR - PARIS - FALL

Information

The International Education and Career Fair Paris aims to help students find an international education and/or career path abroad. The International Education and Career Fair also aims to represent a substantial number of industry sectors for prospective employees to investigate different career paths. The objective of the event is to develop a dynamic continuum of the various opportunities available in the sectors for students and young professionals with all levels of experience.

Reasons to Attend

This not to be missed event addresses French students at the undergraduate or graduate level as well as students from abroad who wish to find information on an international curriculum. It is also directed towards young graduates and the currently employed who would like to give their career a more international dimension.

Market Overview

Each year, more than 47,000 French students take degrees in non-native European Union countries. France has a population of 62.9 million with a per capita GDP of US \$31,096 and is the third-largest economy in Europe after Germany and the UK. French higher education has a long tradition of openness and accessibility*. The national government devotes 20 percent of its annual budget to education. Fees for both French and international students are kept very low to persuade students to stay in education as long as possible. There are about 190,000 international students, from all over the world, currently enrolled in French higher education.

Fair Outline

Among the present institutions: Prestigious schools and French universities, European establishments (German, Swiss, Spanish, English, Belgian), North American establishments (American and Canadian universities), Australian establishments, and a Language Pavillon offering linguistic travel with language courses abroad.

The international mobility/living abroad area

-A number of French and European institutions will be available for consultation and international recruitment firms.

-International mobility agencies will be present to give advice and information to visitors looking to move abroad.

Visitors are attracted to the wide range of exhibitors and services provided by the fair including a bookshop with specialised works on living and studying abroad. Conferences and lectures will be held throughout the day to offer a broad spectrum of employment options from various industry sectors and the new tendencies in recruitment. Visitors will also receive copies of "The Official Studyrage Guide to International Education", which will be given

out at the international guide desk at the front of the fair.

This fair is the pre-eminent way for skill and opportunity to join together in a functional environment. This is a great opportunity to promote your services and to enrol students and graduates.

INTERNATIONAL EDUCATION EUROPE EXPO ROADSHOW - FALL

25 Oct 2018 - 27 Oct 2018

Information

The Europe EXPO Roadshow offers international education institutions, of any discipline and from any country, the opportunity to present their courses to thousands of pre-selected and pre-screened students in Italy's and Spain's most productive markets during Italy's and Spain's leading International Student Recruitment Fairs.

Reasons to Attend

The International Education Europe EXPO Roadshow held in October 2017 received 4,300 students and 53 institutions from around the world in attendance for the total EXPO.

Language schools, colleges, universities, high schools, IT colleges, business schools, hotel schools, postgraduate and MBA programs from more than 40 countries have experienced increased enrollments and brand awareness through these recruitment events. Student participants are screened through online questionnaires to ensure only the highest quality visitors attend the events. Each attendee's capability and desire to study abroad is assessed, ensuring that invitations are sent only to those who have the genuine intention and the financial means to study abroad.

Market Overview

According to the latest data from UNESCO the total number of students from Spain studying overseas was over 22,000. Italian students and international students pursuing their studies in Italy have been increasing for a number of years. According to Top Universities data, with a population of more than 1.8 million students enrolled in tertiary education, close to 3% of Italian students spend a period of study time abroad.

Europe constitutes one of the biggest markets for international education, generating billions in revenue for institutions around the world. The multi-country Roadshows in Europe, allow you to get the most out of several strong markets in a short time. Spain takes the lead in languages, where the government offers scholarships for language courses abroad. The fair also visits Italy, a very strong market for language schools and universities.

Fair Outline

- High student quality: Student participants are screened through online questionnaires to ensure only the highest quality visitors attend the events.
- Highest returning client rate in the market: 81%
- Agent Meeting Place: All participants are provided with the contact details of agents in each of the expo cities at no additional cost.
- Logistics: Studycentral is happy to arrange all your accommodation, transportation, and translator needs.

About the Cities on The Europe EXPO Roadshow

- Rome: The country's largest and most populated city. Italy has played an important role in the European higher education landscape as one of the four countries that initiated the "European Area of Higher Education," this way the higher education reform known as the "Bologna Process" (Bologna Declaration, June 1999) came to life and is being implemented all over Europe today. There are more than 30 universities offering international study programmes taught in English ranging from short certificate courses to entire Bachelor's, Master's, postgraduate or PhD programmes.
- Milan: It is the second-largest city in Italy. The city remains one of Europe's main transportation and industrial hubs, and Milan is the EU's 10th most important centre for business and finance with its economy being the world's 26th richest by purchasing power.
- Barcelona: The combination of quality educational opportunities and a stimulating cultural environment makes Barcelona a first-class destination. Thanks to the city's efforts to promote internationalism and continually better the quality of its programs, students can look forward to a rewarding experience that will also serve them well when pursuing future academic and professional endeavours.
- Madrid: The capital and the largest city of Spain, Madrid is located almost exactly in the geographical center of Iberian Peninsula. After London and Berlin, the city is the third most populous city in European Union. Further, its economic, political and cultural importance makes Madrid one of the major cities of the world.

The fairs are supported by Austrade, DAAD, Campusfrance, Education New Zealand, Education USA, British Council and NUFFIC.

INTERNATIONAL EDUCATION EXHIBITION IN MONGOLIA - FALL

Information

The International Education Exhibition Fall in Mongolia is the place where educational providers worldwide have the opportunity to meet with talented and intelligent students from Mongolia. The fair offers a unique opportunity to learn more about studies abroad first hand, to choose programmes and courses and decide on educational institutions for studies.

Reasons to Attend

The International Education Exhibition in Mongolia has grown to be a leading education exhibition, where thousands of serious and motivated students and their families meet with prestigious education providers from all around the world. The Mongolia education fair will attract prospective students, concerned parents, academics and teaching staff as well as professionals from all walks of life.

There is a growing interest from the mass media and governmental organisations in developing this educational event, which has become an important entry on Ulaanbaatar's calendar. Students with their families take part in all the activities during the exhibition days. Strong targeted links with local universities and schools ensure the right visitors attend the fair. Education providers have the opportunity to grow quickly in this emerging student market.

Market Overview

The Mongolian student market is developing as the economy rapidly expands due to investments from foreign companies. Living standards are on the rise and for many people the prospect of sending their children to study abroad is becoming a reality.

The USA accounts for nearly 1,000 students with other popular destinations including UK, Canada, Australia, Germany, Japan, South Korea, Peoples Republic China, Taiwan, Malaysia, and Singapore.

Enrolments in private higher education institutions have tripled since 1995, and there have also been large enrolment increases in public sector institutions. Around 30,000 students enter Mongolian universities and colleges every year (Ministry of Sciences, Education and Culture, 2003).

Fair Outline

International Education Exhibition Mongolia draws its maximum student participation, thereby ensuring exceptional quality. It is organized with the specific objective of helping institutes of higher learning reach a national cross section of students who have the qualifications and the means to contemplate further education.

As an exhibitor at this student fair you will have advantages such as:

- Face-to-Face personal access and interaction to all the students, parents and top decision markers and representatives from all over Mongolia.
- The opportunity to feature and demonstrate your new perspectives and programmes in a one-to-one environment.
- Meet and find local authorised partners and agents.
- Recruit students to study at your institution abroad.

The International Education Fairs in Turkey are the only international study abroad fairs in the country supported officially by UED (The Association of International Education Counsellors of Turkey) and its prestigious member agencies.

Reasons to Attend

In Fall 2016, the education exhibition received over 13,100 students in 5 days and secured over 120 institutions from 15 countries (Australia, Azerbaijan, Canada, China, Cyprus, France, Italy, Latvia, Russia, Spain, Switzerland, The Netherlands, Turkey, USA, & the UK). In addition to the international institutions, counseling agencies and the local & International sponsors, Austrade, British Council, CampusFrance, DAAD, Fulbright, Institut Francais, US Embassy, US Consulate, UED, Consulate of Ukraine, exhibited at the fairs.

Teenagers make up 30% of Turkey's population, two times higher than the EU average. In 2010, over 1.5 million students took the National University Placement Exam and only 327,869 students were placed in a four-year university in Turkey. Turkish students are looking to foreign institutions for admission.

Market Overview

Turkey is a quickly-developing country, with the youngest population ratio in Europe and a clear market for overseas education. Turkey has a long history of placing great value in education and the pursuit of lifelong learning. Each year sees approximately 1.65 million Turkish students compete for only 529,000 entrance positions in post secondary institution.

- 2.5 million students are currently studying in the Turkish Higher Education System
- There are 141 State Universities, and 53 Private Universities in Turkey
- 1.5 million students will be seeking undergraduate education in August
- 800,000 students will be placed in undergraduate programs in Turkey
- 100,000 undergraduate students will seek education abroad
- 2 million undergraduate and graduate are currently looking for overseas education opportunities

Fair Outline

Taking place in Izmir, Ankara, Istanbul (European and Asian sides), the exhibition takes place at the time of the year when students start seriously thinking about their next step in education.

In the past 10 years, over 500 different institutions from 35 countries have attended the International Student Fairs in Turkey to promote their schools and meet thousands of students at these events. The International Education Fair in Turkey attracts the best student participation. The fair has a reputation for attracting the highest quality students. It attracts the most capable and qualified candidates.

Did you know that each year over 1,5 million Turkish students take the National University Placement Exam, but only 30% of them are placed in a university in Turkey? According to the Ministry of Education Statistics, more than 25,000 Turkish students preferred to study abroad in 2004. Including summer school and short-term tourist visas, the total number of students going abroad is over 40,000 annually.

International Student Fairs in Turkey are known for being a pioneer in student recruitment fairs with its 20 years experience in student recruitment. The fairs will utilize numerous forms of mass communication to deliver the best promotion which includes: local and national TV, radio, newspapers, magazines, billboards, text messaging, internet spots, etc.

The International Education Fairs in Turkey offer you a chance to meet thousands of eligible students, and it is a wonderful opportunity to network with many education agencies, local and international organisations, and foundations within a cost-effective budget.

The event will also include various social activities and we hope you will enjoy it!

THE BALTIC INTERNATIONAL RECRUITMENT TOUR - FALL

Information

The biggest Baltic State specialised public fair for International Education is taking place in three capitals – Vilnius, Riga and Tallinn during October 2018. Organised in a workshop style, the fair provides a relaxed atmosphere of the Radisson Blu Hotels' conference centres for the representatives of language schools and executive centres, boarding schools and colleges, universities and business schools.

Reasons to Attend

The Baltic International Recruitment Tour is the biggest specialised education abroad event in the Baltic States. The fair features unique educational institutions that represent the wide range of educational and professional programmes: general, intensive and special language courses, basic and secondary education, further education and professional training, diploma programmes, BA/BSc, Masters/MBA, postgraduate and others. Visitors from various target groups including schoolchildren and their parents, young people and students, adults and business people, representatives of private and state companies and organisations, mass media. Each year the fairs receive 2,000 – 5,000 visitors in each country.

Market Overview

More and more students from the Baltic States tend to look for opportunities to gain high quality international education, professional training and experience. Foreign language courses are becoming increasingly popular among people of different ages and occupations. Every year the number of students going abroad to language schools and universities is steadily growing.

The Baltic region has a long tradition of providing high-quality education. For young people it is a vibrant and international environment with the possibility to make use of the latest developments in different study fields, which makes the region an attractive place for living and studying. According to statistics from a poll by the non-profit organization Dream Foundation, over 60 percent of Baltic students would like to study at a foreign university.

Fair Outline

The fairs are free to access by the public, allowing visitors to get acquainted with the student fair's participants; their courses and programmes and to take enrolments. On the other hand, education providers have the opportunity to meet and support their education agents, the Baltic Council and to establish new contacts.

The success of this fair is based on qualitative service and professionalism of the organizers combined with broad promotion campaign providing return of investments for the fair's participants.

During the last several years the Baltic States (Latvia, Estonia and Lithuania) have become more attractive for

education providers from all over the world. This is not a casual interest, but a developing tendency proving that the potential and demand for the educational industry abroad in the Baltic region is very high.

The Baltic international recruitment tour has been in place since 2005 with a growing number of participants and a strong presence of institutions presenting their programmes and services. The potential for the development of the education industry abroad is very high in the Baltics and the demand for quality programmes will continue to grow.
