

31th International Education Exhibition in Mongolia -Fall

21 Sep 2024 - 22 Sep 2024

Information

The International Education Exhibition Fall in Mongolia is the place where educational providers worldwide have the opportunity to meet with talented and intelligent students from Mongolia. The fair offers a unique opportunity to learn more about studies abroad first hand, to choose programmes and courses and decide on educational institutions for studies.

Reasons to Attend

The International Education Exhibition in Mongolia has grown to be a leading education exhibition, where thousands of serious and motivated students and their families meet with prestigious education providers from all around the world. The Mongolia education fair will attract prospective students, concerned parents, academics and teaching staff as well as professionals from all walks of life.

There is a growing interest from the mass media and governmental organisations in developing this educational event, which has become an important entry on Ulaanbaatar's calendar. Students with their families take part in all the activities during the exhibition days. Strong targeted links with local universities and schools ensure the right visitors attend the fair. Education providers have the opportunity to grow quickly in this emerging student market.

Market Overview

The Mongolian student market is developing as the economy rapidly expands due to investments from foreign companies. Living standards are on the rise and for many people the prospect of sending their children to study abroad is becoming a reality.

The USA accounts for nearly 1,000 students with other popular destinations including UK, Canada, Australia, Germany, Japan, South Korea, Peoples Republic China, Taiwan, Malaysia, and Singapore.

Enrolments in private higher education institutions have tripled since 1995, and there have also been large enrolment increases in public sector institutions. Around 30,000 students enter Mongolian universities and colleges every year (Ministry of Sciences, Education and Culture, 2003).

Fair Outline

International Education Exhibition Mongolia draws its maximum student participation, thereby ensuring exceptional quality. It is organized with the specific objective of helping institutes of higher learning reach a national cross section of students who have the qualifications and the means to contemplate further education.

As an exhibitor at this student fair you will have advantages such as:

- Face-to-Face personal access and interaction to all the students, parents and top decision markers and representatives from all over Mongolia.
- The opportunity to feature and demonstrate your new perspectives and programmes in a one-to-one environment.
- Meet and find local authorised partners and agents.
- Recruit students to study at your institution abroad.

EuroAsia Agent Workshop - Fall 2024

27 Oct 2024 - 29 Oct 2024

Information

The fair welcomes nearly 20,000 Turkish students to each of the semi-annual fairs. Throughout the past 10 years, the International Education Fair of Turkey has grown to become the largest education exhibition in both Turkey and the Middle-East, with universities from more than 30 countries attending every year.

Reasons to Attend

The Fair focuses solely on the Turkish Market, and therefore has built a reputation with students throughout the country through strong marketing and promotion of the exhibitions, and excellent relationships with local high schools, universities, language schools and Turkish agents. The previous Fall event welcomed over 300 exhibitors representing over 150 institutions from 27 different countries to the events in Bursa, Ankara, Izmir, and Istanbul.

Market Overview

Turkey is a quickly-developing country, with the youngest population ratio in Europe. The country is working towards being in the top 15 economies of the World by 2020; so now, more than ever, there is a large market for a skilled, educated, globally-minded current and future workforce.

The demand for studying abroad is not only from secondary school students and graduates, but also from 2.5 million university students. The majority of Turkish university students know the role and importance of study abroad in getting a better job in a competitive business world. There are approximately 3.5 million students studying at Turkish universities which also includes Open University students. Around 2 million of them are studying on a 4 year course.

There are around 350,000 university students in Istanbul at around 50 universities. Over 200,000 students at around 20 universities in Ankara. Izmir has 9 universities and 110,000 university students.

Fair Outline

Fair students are from very respected universities and high schools of Turkey. The international education fairs in Turkey are also visited by a number of young and experienced professionals looking for education opportunities abroad. The Fair has a professional and hands-on approach to meeting the needs of our participating institutions, and also to bringing the highest quality Turkish students to its fairs. The Fair is committed to making the recruitment process both successful and enjoyable for both participants and students.

Students attending the exhibition are looking for education all over the world. While the UK and the USA continue to dominate student interest, they are looking more and more towards programs in Canada, Europe and Asia.

We give participating institutions complete support before, during and after the fairs, including:

- Material transportation between cities
- Professional stands with the option of uniquely designed backdrops
- Local high-school and university visits
- Free promotion in IEFT's Study Abroad Magazine, distributed to nearly 20,000 student visitors
- Optional web banners, flyer distribution, newspaper advertisements, and any other promotional branding needs an institution may have
- Well-organized accommodation and transportation options
- Complete visitor statistics sent to all participants upon completion of fair tour
- Amazing social and cultural activities throughout fair

Hong Kong International Education Fair - Summer

06 Jul 2024 - 07 Jul 2024

Information

Hong Kong International Student Fair has become the most popular and informative education event in Hong Kong since its debut in 2004. The large-scale and well-found study resources exchange platform favors this event to be the most popular summer Expo of its kind in the city.

Reasons to Attend

The fair is well-positioned to continue delivering rich information exposures and timely preparation for candidates* and parents in tandem with the release of 1st HKDSE and HKAL results.

In 2019, over 20,000 visitors and 400 education providers from 20 countries and regions (Hong Kong, China, the U.K., the U.S.A., Australia, New Zealand, Canada, Switzerland and Japan), gathered to provide students with the latest career-oriented programs and academic courses. A wide spectrum of learning programs in diplomas, higher diplomas, associate degrees, bachelor degrees, master degrees, and vocational training will be available.

Market Overview

Hong Kong is a Special Administrative Region of the People's Republic of China and has a population of 7 million people. It is a dynamic market environment, now being influenced positively by major education reforms and changes to the academic structure being phased in between 2009 and 2012.

There is a well-established tradition among Hong Kong families of sending their children to study overseas. According to a Thematic Household Survey Report on 'Hong Kong students studying outside Hong Kong', by the Census and Statistics Department in December 2010, there were 66,700 people aged 25 and below who intended to study outside Hong Kong in the next five years.

Fair Outline

The Hong Kong fair is widely supported by various youth organizations and associations, educational professions, and media parties. To cope with challenges in a highly competitive knowledge-based community, we aspire to stride across the transitional period of 3.3.4. an education system with students, encourage them to pursue a promising future with a global vision through whole-person education.

Event Highlights:

- Over 200 local and overseas educational institutions enroll students on-site
- Various associate degrees and diplomas open for application
- Over 30 seminars cover details of various studies information and training

- Career-oriented curriculum
- Prizes for daily lucky draw winners

*Keen Competition in 2012 Public Examinations:

- 1st HKDSE - 77,000 candidates strive for merely 15,000 4-year curriculum vacancies among local universities
- HK A-Level - 36,000 candidates strive for merely 15,000 3-year curriculum vacancies among local universities
