

A2 International Student Fairs in Turkey - Face-to-Face and Online

Information

We are happy to announce the Fall 2021 Online & Hybrid a2 Fairs Turkey, Morocco & Azerbaijan fairs on November 06-07, 2021 will be held in these 3 countries simultaneously.

The International Education Fairs in Turkey are the only international study abroad fairs in the country supported officially by UED (The Association of International Education Counsellors of Turkey) and its prestigious member agencies.

We are pleased to invite you to the Fall 2021 Online & Hybrid a2 Fairs to be held in the world's most emerging markets: Turkey, Morocco & Azerbaijan simultaneously online! The physical part of the event will be held in Istanbul at the Marmara Hotel-Taksim between 14:00-18:00.

Reasons to Attend

Previously, the education exhibition received over 13,100 students in 5 days and secured over 120 institutions from 15 countries (Australia, Azerbaijan, Canada, China, Cyprus, France, Italy, Latvia, Russia, Spain, Switzerland, The Netherlands, Turkey, USA, & the UK). In addition to the international institutions, counseling agencies, and the local & International sponsors, Austrade, British Council, CampusFrance, DAAD, Fulbright, Institut Francais, US Embassy, US Consulate, UED, Consulate of Ukraine exhibited at the fairs.

Teenagers make up 30% of Turkey's population, two times higher than the EU average. In 2010, over 1.5 million students took the National University Placement Exam and only 327,869 students were placed in a four-year university in Turkey. Turkish students are looking to foreign institutions for admission.

Market Overview

Turkey is a quickly developing country, with the youngest population ratio in Europe and a clear market for overseas education. Turkey has a long history of placing great value in education and the pursuit of lifelong learning. Each year sees approximately 1.65 million Turkish students compete for only 529,000 entrance positions in post-secondary institutions.

- 2.5 million students are currently studying in the Turkish Higher Education System
- There are 141 State Universities, and 53 Private Universities in Turkey
- 1.5 million students will be seeking undergraduate education in August
- 800,000 students will be placed in undergraduate programs in Turkey
- 100,000 undergraduate students will seek education abroad

- 2 million undergraduate and graduates are currently looking for overseas education opportunities

Fair Outline

Taking place in Izmir, Ankara, Istanbul (European and Asian sides), the exhibition takes place at the time of the year when students start seriously thinking about their next step in education.

In the past 10 years, over 500 different institutions from 35 countries have attended the International Student Fairs in Turkey to promote their schools and meet thousands of students at these events. The International Education Fair in Turkey attracts the best student participation. The fair has a reputation for attracting the highest quality students. It attracts the most capable and qualified candidates.

Did you know that each year over 1,5 million Turkish students take the National University Placement Exam, but only 30% of them are placed in a university in Turkey? According to the Ministry of Education Statistics, more than 25,000 Turkish students preferred to study abroad in 2004. Including summer school and short-term tourist visas, the total number of students going abroad is over 40,000 annually.

International Student Fairs in Turkey is known for being a pioneer in student recruitment fairs with its 20 years of experience in student recruitment. The fairs will utilize numerous forms of mass communication to deliver the best promotion which includes: local and national TV, radio, newspapers, magazines, billboards, text messaging, internet spots, etc.

The International Education Fairs in Turkey offer you a chance to meet thousands of eligible students, and it is a wonderful opportunity to network with many education agencies, local and international organisations, and foundations within a cost-effective budget.

The event will also include various social activities and we hope you will enjoy them!

Baltic International Recruitment Tour - Fall October 2022

Information

The biggest Baltic State specialised public fair for International Education is taking place in three capitals – Vilnius, Riga, Tallinn and Kaunas during September -October this year. Organised in a workshop style, the fair provides a relaxed atmosphere of the Radisson Blu Hotels' conference centres for the representatives of language schools and executive centres, boarding schools and colleges, universities and business schools.

Reasons to Attend

The Baltic International Recruitment Tour is the biggest specialised education abroad event in the Baltic States. The fair features unique educational institutions that represent a wide range of educational and professional programmes: general, intensive and special language courses, basic and secondary education, further education and professional training, diploma programmes, BA/BSc, Masters/MBA, postgraduate and others. Visitors from various target groups including schoolchildren and their parents, young people and students, adults and business people, representatives of private and state companies and organisations, mass media. Each year the fairs receive 2,000 – 5,000 visitors in each country.

Market Overview

More and more students from the Baltic States tend to look for opportunities to gain high quality international education, professional training and experience. Foreign language courses are becoming increasingly popular among people of different ages and occupations. Every year the number of students going abroad to language schools and universities is steadily growing.

The Baltic region has a long tradition of providing high-quality education. For young people, it is a vibrant and international environment with the possibility to make use of the latest developments in different study fields, which makes the region an attractive place for living and studying. According to statistics from a poll by the non-profit organisation Dream Foundation, over 60 per cent of Baltic students would like to study at a foreign university.

Fair Outline

The fairs are free to access by the public, allowing visitors to get acquainted with the student fair's participants; their courses and programmes and to take enrolments. On the other hand, education providers have the opportunity to meet and support their education agents, the Baltic Council and to establish new contacts.

The success of this fair is based on the qualitative service and professionalism of the organizers combined with

a broad promotion campaign providing return of investments for the fair's participants.

During the last several years the Baltic States (Latvia, Estonia and Lithuania) have become more attractive for education providers from all over the world. This is not a casual interest, but a developing tendency proving that the potential and demand for the educational industry abroad in the Baltic region is very high.

The Baltic international recruitment tour has been in place since 2005 with a growing number of participants and a strong presence of institutions presenting their programmes and services. The potential for the development of the education industry abroad is very high in the Baltics and the demand for quality programmes will continue to grow.

International Education Exhibition in Mongolia - Fall

Information

The International Education Exhibition Fall in Mongolia is the place where educational providers worldwide have the opportunity to meet with talented and intelligent students from Mongolia. The fair offers a unique opportunity to learn more about studies abroad first hand, to choose programmes and courses and decide on educational institutions for studies.

Reasons to Attend

The International Education Exhibition in Mongolia has grown to be a leading education exhibition, where thousands of serious and motivated students and their families meet with prestigious education providers from all around the world. The Mongolia education fair will attract prospective students, concerned parents, academics and teaching staff as well as professionals from all walks of life.

There is a growing interest from the mass media and governmental organisations in developing this educational event, which has become an important entry on Ulaanbaatar's calendar. Students with their families take part in all the activities during the exhibition days. Strong targeted links with local universities and schools ensure the right visitors attend the fair. Education providers have the opportunity to grow quickly in this emerging student market.

Market Overview

The Mongolian student market is developing as the economy rapidly expands due to investments from foreign companies. Living standards are on the rise and for many people the prospect of sending their children to study abroad is becoming a reality.

The USA accounts for nearly 1,000 students with other popular destinations including UK, Canada, Australia, Germany, Japan, South Korea, Peoples Republic China, Taiwan, Malaysia, and Singapore.

Enrolments in private higher education institutions have tripled since 1995, and there have also been large enrolment increases in public sector institutions. Around 30,000 students enter Mongolian universities and colleges every year (Ministry of Sciences, Education and Culture, 2003).

Fair Outline

International Education Exhibition Mongolia draws its maximum student participation, thereby ensuring exceptional quality. It is organized with the specific objective of helping institutes of higher learning reach a national cross section of students who have the qualifications and the means to contemplate further education.

As an exhibitor at this student fair you will have advantages such as:

- Face-to-Face personal access and interaction to all the students, parents and top decision markers and representatives from all over Mongolia.
- The opportunity to feature and demonstrate your new perspectives and programmes in a one-to-one environment.
- Meet and find local authorised partners and agents.
- Recruit students to study at your institution abroad.

Studyrama International Education & Career Fair - Paris - Fall

Information

The Studyrama International Education Fair Paris aims to help students find an international education and/or career path abroad. The International Education and Career Fair also aims to represent a substantial number of industry sectors for prospective employees to investigate different career paths. The objective of the event is to develop a dynamic continuum of the various opportunities available in the sectors for students and young professionals with all levels of experience.

Reasons to Attend

This not to be missed event addresses French students at the undergraduate or graduate level as well as students from abroad who wish to find information on an international curriculum. It is also directed towards young graduates and the currently employed who would like to give their career a more international dimension.

Market Overview

Each year, more than 47,000 French students take degrees in non-native European Union countries. France has a population of 62.9 million with a per capita GDP of US \$31,096 and is the third-largest economy in Europe after Germany and the UK. French higher education has a long tradition of openness and accessibility*. The national government devotes 20 percent of its annual budget to education. Fees for both French and international students are kept very low to persuade students to stay in education as long as possible. There are about 190,000 international students, from all over the world, currently enrolled in French higher education.

Fair Outline

Among the present institutions: Prestigious schools and French universities, European establishments (German, Swiss, Spanish, English, Belgian), North American establishments (American and Canadian universities), Australian establishments, and a Language Pavillon offering linguistic travel with language courses abroad.

The international mobility/living abroad area

-A number of French and European institutions will be available for consultation and international recruitment firms.

-International mobility agencies will be present to give advice and information to visitors looking to move abroad.

Visitors are attracted to the wide range of exhibitors and services provided by the fair including a bookshop with specialised works on living and studying abroad. Conferences and lectures will be held throughout the day to offer a broad spectrum of employment options from various industry sectors and the new tendencies in recruitment. Visitors will also receive copies of "The Official Studyrama Guide to International Education",

which will be given out at the international guide desk at the front of the fair.

This fair is the pre-eminent way for skill and opportunity to join together in a functional environment. This is a great opportunity to promote your services and to enrol students and graduates.

World Education Fair - Bulgaria - Fall

Information

World Education Fair is the biggest international education exhibition of its kind in Bulgaria. Since 2003, the event has attracted young people, which are interested to study abroad for their secondary or higher education in distinguished international institutions. Thanks to the project, foreign educational institutions are promoted and popularised in Bulgaria.

Reasons to Attend

World Education Fair is an ideal event for exhibitors – as many as half of Bulgaria's prospective university students apply abroad. Students are attracted by the presence of international universities, schools, and colleges, as the event focuses on undergraduate, postgraduate and MBA studies. According to the Eurostat data from 2015, the Bulgarians which study in different universities throughout Europe are 22,800.

Market Overview

Some 30,000 Bulgarian students currently study abroad, according to the Head of the State Agency for Bulgarians Abroad. Over 50% of those Bulgarian high school seniors who seek higher education apply to schools abroad.

Fair Outline

World Education Fair receives a high number of visitors and successful recruitment of students. In 2016, a total number of 120 exhibitors attended the fair from 18 countries. These countries included: Switzerland, The Netherlands, UK, Belgium, Spain, Italy, Denmark, Czech Republic, Bulgaria, Greece, Poland, Liechtenstein, Germany, Austria, USA, China, France and Romania. There were a total number of 3387 visitors who attended the fair in 2016. The fairs are heavily promoted in Bulgaria with extensive promotional campaign in various channels targeting both students and their parents. World Education Fairs has built a database of more than 50,000 people, whereas only in the last two editions WEF in Bulgaria has more than 9,000 registrations. One of the biggest advantages is that WEF has more than 70 % pre-registration of visitors, which speaks for the effectiveness of the made promotional campaign.
