

# IEFT INTERNATIONAL EDUCATION FAIRS OF TURKEY ROADSHOW - SPRING

26 Oct 2020 - 28 Oct 2020

## Information

The fair welcomes around 20,000 Turkish students to each of the semi-annual fairs. Throughout the past **19** years, **International Education Fairs of Turkey** has grown to become the largest education exhibition in Turkey, with universities from all over the World attending every year.

### Reasons to Attend

The Fair focuses solely on the Turkish Market, and therefore has built a reputation with students throughout the country through strong marketing and promotion of the exhibitions, and excellent relationships with local high schools, universities, language schools and Turkish agents. The last Fall event welcomed around 200 institutions from all over the world and 20.000 visitors to the events in Ankara, Izmir, and Istanbul.

### Market Overview

Turkey is a quickly-developing country, with the youngest population ratio in Europe. The country is working towards being in the top 15 economies of the World by 2020; so now, more than ever, there is a large market for a skilled, educated, globally-minded current and future workforce.

The demand for studying abroad is not only from secondary school students and graduates, but also from 2.5 million university students. The majority of Turkish university students know the role and importance of study abroad in getting a better job in a competitive business world. There are approximately 3.5 million students studying at Turkish universities which also includes Open University students. Around 2 million of them are studying on a 4 year course. There are around 350,000 university students in Istanbul at around 50 universities. Over 200,000 students at around 20 universities in Ankara. Izmir has 9 universities and 110,000 university students.

### Fair Outline

Fair students are from very respected universities and high schools of Turkey. IEFT - The international education fairs of Turkey are also visited by a number of young and experienced professionals looking for education opportunities abroad. The Fair has a professional and hands-on approach to meeting the needs of our participating institutions, and also to bringing the highest quality Turkish students to its fairs. The Fair is committed to making the recruitment process both successful and enjoyable for both participants and students.

Students attending the exhibition are looking for education all over the world. While the UK and the USA continue to

dominate student interest, they are looking more and more towards programs in Canada, Europe and Asia.

We give participating institutions complete support before, during and after the fairs, including:

- Material transportation between cities
- Professional stands with the option of uniquely designed backdrops
- Local high-school and university visits
- Free promotion in IEFT's Study Abroad Magazine, distributed to nearly 20,000 student visitors
- Optional web banners, flyer distribution, newspaper advertisements, and any other promotional branding needs an institution may have
- Well-organized accommodation and transportation options
- Complete visitor statistics sent to all participants upon completion of fair tour
- Amazing social and cultural activities throughout fair

# INTERNATIONAL EDUCATION EXHIBITION IN MONGOLIA - SPRING

## Information

The International Education Exhibition Fair in Mongolia is the place where educational providers worldwide have the opportunity to meet with talented and intelligent students from Mongolia. The fair offers a unique opportunity to learn more about studies abroad first hand, to choose programmes and courses and decide on educational institutions for studies.

## Reasons to Attend

The International Education Exhibition in Mongolia has grown to be a leading education exhibition, where thousands of serious and motivated students and their families meet with prestigious education providers from all around the world. The Mongolia education fair will attract prospective students, concerned parents, academics and teaching staff as well as professionals from all walks of life.

There is a growing interest from the mass media and governmental organisations in developing this educational event, which has become an important entry on Ulaanbaatar's calendar. Students with their families take part in all the activities during the exhibition days. Strong targeted links with local universities and schools ensure the right visitors attend the fair. Education providers have the opportunity to grow quickly in this emerging student market.

## Market Overview

The Mongolian student market is developing as the economy rapidly expands due to investments from foreign companies. Living standards are on the rise and for many people the prospect of sending their children to study abroad is becoming a reality.

The USA accounts for nearly 1,000 students with other popular destinations including UK, Canada, Australia, Germany, Japan, South Korea, Peoples Republic China, Taiwan, Malaysia, and Singapore.

Enrolments in private higher education institutions have tripled since 1995, and there have also been large enrolment increases in public sector institutions. Around 30,000 students enter Mongolian universities and colleges every year (Ministry of Sciences, Education and Culture, 2003).

## Fair Outline

International Education Exhibition Mongolia draws its maximum student participation, thereby ensuring exceptional quality. It is organized with the specific objective of helping institutes of higher learning reach a national cross section of students who have the qualifications and the means to contemplate further education.

As an exhibitor at this student fair you will have advantages such as:

- Face-to-Face personal access and interaction to all the students, parents and top decision markers and representatives from all over Mongolia.
- The opportunity to feature and demonstrate your new perspectives and programmes in a one-to-one environment.
- Meet and find local authorised partners and agents.
- Recruit students to study at your institution abroad.

# POLAND - INTERNATIONAL RECRUITMENT TOUR - SPRING

## Information

The biggest Baltic State specialised public fair for International Education is taking place in three capitals – Vilnius, Riga and Tallinn during October 2018. Organised in a workshop style, the fair provides a relaxed atmosphere of the Radisson Blu Hotels' conference centres for the representatives of language schools and executive centres, boarding schools and colleges, universities and business schools.

## Reasons to Attend

The Baltic International Recruitment Tour is the biggest specialised education abroad event in the Baltic States. The fair features unique educational institutions that represent the wide range of educational and professional programmes: general, intensive and special language courses, basic and secondary education, further education and professional training, diploma programmes, BA/BSc, Masters/MBA, postgraduate and others. Visitors from various target groups including schoolchildren and their parents, young people and students, adults and business people, representatives of private and state companies and organisations, mass media. Each year the fairs receive 2,000 – 5,000 visitors in each country.

## Market Overview

More and more students from the Baltic States tend to look for opportunities to gain high quality international education, professional training and experience. Foreign language courses are becoming increasingly popular among people of different ages and occupations. Every year the number of students going abroad to language schools and universities is steadily growing.

The Baltic region has a long tradition of providing high-quality education. For young people it is a vibrant and international environment with the possibility to make use of the latest developments in different study fields, which makes the region an attractive place for living and studying. According to statistics from a poll by the non-profit organisation Dream Foundation, over 60 percent of Baltic students would like to study at a foreign university.

## Fair Outline

The fairs are free to access by the public, allowing visitors to get acquainted with the student fair's participants; their courses and programmes and to take enrolments. On the other hand, education providers have the opportunity to meet and support their education agents, the Baltic Council and to establish new contacts.

The success of this fair is based on qualitative service and professionalism of the organizers combined with broad promotion campaign providing return of investments for the fair's participants.

During the last several years the Baltic States (Latvia, Estonia and Lithuania) have become more attractive for

education providers from all over the world. This is not a casual interest, but a developing tendency proving that the potential and demand for the educational industry abroad in the Baltic region is very high.

The Baltic international recruitment tour has been in place since 2005 with a growing number of participants and a strong presence of institutions presenting their programmes and services. The potential for the development of the education industry abroad is very high in the Baltics and the demand for quality programmes will continue to grow.
