This gives you a unique opportunity to present your organisation and to meet the thousands of visitors from the Netherlands from your direct target group.

## Market Overview

### A unique opportunity to recruit students from Belgium and the Netherlands!

In addition to being an extremely fun experience, studying abroad is also a smart move for students. Research conducted by the European Commission has shown that young people who have studied abroad have a better chance of securing a steady job later on.

The Belgian as well as the Dutch government encourage international exchange programmes and make it financially feasible for students to study abroad. Students who are entitled to student grants and loans in the Netherlands are entitled to use them anywhere in the world.
