31th International Education Exhibition in Mongolia -Fall

21 Sep 2024 - 22 Sep 2024

Information

The International Education Exhibition Fall in Mongolia is the place where educational providers worldwide have the opportunity to meet with talented and intelligent students from Mongolia. The fair offers a unique opportunity to learn more about studies abroad first hand, to choose programmes and courses and decide on educational institutions for studies.

Reasons to Attend

The International Education Exhibition in Mongolia has grown to be a leading education exhibition, where thousands of serious and motivated students and their families meet with prestigious education providers from all around the world. The Mongolia education fair will attract prospective students, concerned parents, academics and teaching staff as well as professionals from all walks of life.

There is a growing interest from the mass media and governmental organisations in developing this educational event, which has become an important entry on Ulaanbaatar's calendar. Students with their families take part in all the activities during the exhibition days. Strong targeted links with local universities and schools ensure the right visitors attend the fair. Education providers have the opportunity to grow quickly in this emerging student market.

Market Overview

The Mongolian student market is developing as the economy rapidly expands due to investments from foreign companies. Living standards are on the rise and for many people the prospect of sending their children to study abroad is becoming a reality.

The USA accounts for nearly 1,000 students with other popular destinations including UK, Canada, Australia, Germany, Japan, South Korea, Peoples Republic China, Taiwan, Malaysia, and Singapore.

Enrolments in private higher education institutions have tripled since 1995, and there have also been large enrolment increases in public sector institutions. Around 30,000 students enter Mongolian universities and colleges every year (Ministry of Sciences, Education and Culture, 2003).

Fair Outline

International Education Exhibition Mongolia draws its maximum student participation, thereby ensuring exceptional quality. It is organized with the specific objective of helping institutes of higher learning reach a national cross section of students who have the qualifications and the means to contemplate further education.

As an exhibitor at this student fair you will have advantages such as:

- Face-to-Face personal access and interaction to all the students, parents and top decision markers and representatives from all over Mongolia.
- The opportunity to feature and demonstrate your new perspectives and programmes in a one-to-one environment.
- Meet and find local authorised partners and agents.
- Recruit students to study at your institution abroad.

40th CIS International Education Fair Online - Spring

Information

About the fair

We would like to invite you to our 40th *ICIEP International Education Exhibition* in Russia.

ICIEP International Education Exhibition in Russia has over a 23-year history and is the first and oldest exhibition since 1998.

The main aim of the events is to provide Russian students with first-hand information on study abroad opportunities and, for foreign education institutions, to meet students and reach their student recruitment targets for the Russian market.

For many years, the exhibition has hosted National Pavilions for universities from Canada, USA, Germany, France, Cyprus, China, Hungary, Estonia, Austria, Finland, Netherlands, Sweden Turkey, Switzerland and many other countries.

In 2018-2019 academic years the fair was attended by over 60 institutions from Austria, Croatia, Cyprus, Czech Republic, Estonia, Finland, France, Germany, Greece, Hungary, Israel, New Zealand, Russia, South Korea, Spain, Taiwan, UK

In the current challenging times it is still of a paramount importance to stay connected to potential students, nurture and increase institution's visibility and awareness as well as stay turned in with the current international recruitment opportunities in the country.

Participation fee includes: participation of up to 2 representatives, working space, institution profile, stationery, water, lunch, reception, database of students after the event

Levels of Education:

-Undergraduate (Bachelors)

-Postgraduate (Masters, MBA, LLM, Dip, PhD)

- Language learning
- Further education & vocational
- Foundation (Preparatory)

Reasons to Attend

The fair has become the most prominent international education exhibition in Russia, providing students with access to global study opportunities, and it has also created new recruitment opportunities for foreign education institutions in Russia.

It's also the core event of the project Marketing and Promotion of International Education in Russia.

Market Overview

The Russian government has revealed plans to encourage students to study abroad, by funding up to 10,000 students a year to attend some of the world's leading universities. According to a recent survey, education investment has become the favourite choice of many Russian parents. Students and parents alike are looking forward to finding out about opportunities to study abroad, making this event essential both for visitors and recruiters. International experts forecast that by 2020 Russia may enter the top-5 list of leading "demand states" in the world educational market, and the amount paid for education by the Russian students will triple.

The number of Russians receiving an education abroad has grown significantly over the last few years, with English language programs being the most popular courses according to data released by AcademConsult, a local company that organises study abroad for Russian students.

Every year more and more Russian students pack their bags and go to study abroad. The most popular destination is Europe. Latest survey indicates that every third Russian student who is going to study abroad selects United Kingdom, every sixth-seventh - France or Germany. Study in Finland, Sweden and Netherlands is more and more attractive for many young Russians. High quality of Swiss education in the field of hospitality industry is well-known here. USA and Canada are the most popular destinations for studying abroad outside of Europe.

Fair Outline

Each day will attract 1,500 - 2,000 attendees, including Russian secondary school leavers, first, second and final-year university, graduates with work experience, low-level managers and mid-level managers.

The fair attracts exhibitors from countries worldwide, including several governmental bodies and/or their education promotion arms such as the Spanish Embassy, Agency CampusFrance, the Canadian Education Centres Network, CEAIE (China), DAAD and others.

Baltic International Recruitment Tour - Fall

26 Sep 2024 - 29 Sep 2024

Information

The biggest Baltic State specialised public fair for International Education is taking place in three capitals – Vilnius, Riga, Tallinn and Kaunas during September -October this year. Organised in a workshop style, the fair provides a relaxed atmosphere of the Radisson Blu Hotels' conference centres for the representatives of language schools and executive centres, boarding schools and colleges, universities and business schools.

Reasons to Attend

The Baltic International Recruitment Tour is the biggest specialised education abroad event in the Baltic States. The fair features unique educational institutions that represent a wide range of educational and professional programmes: general, intensive and special language courses, basic and secondary education, further education

and professional training, diploma programmes, BA/BSc, Masters/MBA, postgraduate and others. Visitors from various target groups including schoolchildren and their parents, young people and students, adults and business people, representatives of private and state companies and organisations, mass media. Each year the fairs receive 2,000 – 5,000 visitors in each country.

Market Overview

More and more students from the Baltic States tend to look for opportunities to gain high quality international education, professional training and experience. Foreign language courses are becoming increasingly popular among people of different ages and occupations. Every year the number of students going abroad to language schools and universities is steadily growing.

The Baltic region has a long tradition of providing high-quality education. For young people, it is a vibrant and international environment with the possibility to make use of the latest developments in different study fields, which makes the region an attractive place for living and studying. According to statistics from a poll by the non-profit organisation Dream Foundation, over 60 per cent of Baltic students would like to study at a foreign university.

Fair Outline

The fairs are free to access by the public, allowing visitors to get acquainted with the student fair's participants; their courses and programmes and to take enrolments. On the other hand, education providers have the opportunity to meet and support their education agents, the Baltic Council and to establish new contacts.

The success of this fair is based on the qualitative service and professionalism of the organizers combined with a broad promotion campaign providing return of investments for the fair's participants.

During the last several years the Baltic States (Latvia, Estonia and Lithuania) have become more attractive for education providers from all over the world. This is not a casual interest, but a developing tendency proving that the potential and demand for the educational industry abroad in the Baltic region is very high.

The Baltic international recruitment tour has been in place since 2005 with a growing number of participants and a strong presence of institutions presenting their programmes and services. The potential for the development of the education industry abroad is very high in the Baltics and the demand for quality programmes will continue to grow.
