

# Study Abroad Scholarship Expo in Macedonia - Fall 2024

26 Oct 2024

## Information

The STUDY ABROAD EXPO is a unique event of national importance in Macedonia, where a variety of study programs, scholarships and other forms of financial aid available to Macedonian citizens for studying abroad are presented at a single location. The first exhibition was launched for the first time in 2010. The event is annual, recognisable, high-profile Macedonian educational brand and a highly valued initiative promoting investment in knowledge and human potential.

The main goal of the EXPO is the promotion of study abroad and the importance of scholarships as growing access to higher education. It helps prospective students and academic society on all levels to find programs and financial sources for education abroad (scholarships and financial aid for studying abroad, research stay and academic work).

**EXPO** also promotes the importance of finding the right study program and bringing learning results in line with the needs of the labor market.

Participants at the EXPO are international institutions whose representatives provide all necessary information on their study and scholarship programs and direct contact with visitors. Participating institutions are universities, embassies and cultural centers of foreign countries in Macedonia.

This event has huge media coverage so the promotion is done at the highest level for sponsors and for the participants.
