

# 31th International Education Exhibition in Mongolia -Fall

21 Sep 2024 - 22 Sep 2024

## Information

The International Education Exhibition Fall in Mongolia is the place where educational providers worldwide have the opportunity to meet with talented and intelligent students from Mongolia. The fair offers a unique opportunity to learn more about studies abroad first hand, to choose programmes and courses and decide on educational institutions for studies.

## Reasons to Attend

The International Education Exhibition in Mongolia has grown to be a leading education exhibition, where thousands of serious and motivated students and their families meet with prestigious education providers from all around the world. The Mongolia education fair will attract prospective students, concerned parents, academics and teaching staff as well as professionals from all walks of life.

There is a growing interest from the mass media and governmental organisations in developing this educational event, which has become an important entry on Ulaanbaatar's calendar. Students with their families take part in all the activities during the exhibition days. Strong targeted links with local universities and schools ensure the right visitors attend the fair. Education providers have the opportunity to grow quickly in this emerging student market.

## Market Overview

The Mongolian student market is developing as the economy rapidly expands due to investments from foreign companies. Living standards are on the rise and for many people the prospect of sending their children to study abroad is becoming a reality.

The USA accounts for nearly 1,000 students with other popular destinations including UK, Canada, Australia, Germany, Japan, South Korea, Peoples Republic China, Taiwan, Malaysia, and Singapore.

Enrolments in private higher education institutions have tripled since 1995, and there have also been large enrolment increases in public sector institutions. Around 30,000 students enter Mongolian universities and colleges every year (Ministry of Sciences, Education and Culture, 2003).

## Fair Outline

International Education Exhibition Mongolia draws its maximum student participation, thereby ensuring exceptional quality. It is organized with the specific objective of helping institutes of higher learning reach a national cross section of students who have the qualifications and the means to contemplate further education.

As an exhibitor at this student fair you will have advantages such as:

- Face-to-Face personal access and interaction to all the students, parents and top decision makers and representatives from all over Mongolia.
- The opportunity to feature and demonstrate your new perspectives and programmes in a one-to-one environment.
- Meet and find local authorised partners and agents.
- Recruit students to study at your institution abroad.

# Baltic International Recruitment Tour Fall

26 Sep 2024 - 29 Sep 2024

## Information

The biggest Baltic State specialised public fair for International Education is taking place in three capitals – Vilnius, Riga, Tallinn and Kaunas during September -October this year. Organised in a workshop style, the fair provides a relaxed atmosphere of the Radisson Blu Hotels' conference centres for the representatives of language schools and executive centres, boarding schools and colleges, universities and business schools.

## Reasons to Attend

The Baltic International Recruitment Tour is the biggest specialised education abroad event in the Baltic States. The fair features unique educational institutions that represent a wide range of educational and professional programmes: general, intensive and special language courses, basic and secondary education, further education and professional training, diploma programmes, BA/BSc, Masters/MBA, postgraduate and others. Visitors from various target groups including schoolchildren and their parents, young people and students, adults and business people, representatives of private and state companies and organisations, mass media. Each year the fairs receive 2,000 – 5,000 visitors in each country.

## Market Overview

More and more students from the Baltic States tend to look for opportunities to gain high quality international education, professional training and experience. Foreign language courses are becoming increasingly popular among people of different ages and occupations. Every year the number of students going abroad to language schools and universities is steadily growing.

The Baltic region has a long tradition of providing high-quality education. For young people, it is a vibrant and international environment with the possibility to make use of the latest developments in different study fields, which makes the region an attractive place for living and studying. According to statistics from a poll by the non-profit organisation Dream Foundation, over 60 per cent of Baltic students would like to study at a foreign university.

## Fair Outline

The fairs are free to access by the public, allowing visitors to get acquainted with the student fair's participants; their courses and programmes and to take enrolments. On the other hand, education providers have the opportunity to meet and support their education agents, the Baltic Council and to establish new contacts.

The success of this fair is based on the qualitative service and professionalism of the organizers combined with

a broad promotion campaign providing return of investments for the fair's participants.

During the last several years the Baltic States (Latvia, Estonia and Lithuania) have become more attractive for education providers from all over the world. This is not a casual interest, but a developing tendency proving that the potential and demand for the educational industry abroad in the Baltic region is very high.

The Baltic international recruitment tour has been in place since 2005 with a growing number of participants and a strong presence of institutions presenting their programmes and services. The potential for the development of the education industry abroad is very high in the Baltics and the demand for quality programmes will continue to grow.

# International Student Fairs in Turkey - Fall 2024

19 Oct 2024 - 25 Oct 2024

## Information

The International Education Fairs in Turkey are the only international study abroad fairs in the country supported officially by UED (The Association of International Education Counsellors of Turkey) and its prestigious member agencies.

We are pleased to invite you to the Fall 2023 in the world's most emerging markets: Turkey, Morocco & Azerbaijan.

## Reasons to Attend

Previously, the education exhibition received over 13,100 students in 5 days and secured over 120 institutions from 15 countries (Australia, Azerbaijan, Canada, China, Cyprus, France, Italy, Latvia, Spain, Switzerland, The Netherlands, Turkey, USA, & the UK). In addition to the international institutions, counseling agencies, and the local & International sponsors, Austrade, British Council, CampusFrance, DAAD, Fulbright, Institut Francais, US Embassy, US Consulate, UED, Consulate of Ukraine exhibited at the fairs.

Teenagers make up 30% of Turkey's population, two times higher than the EU average. In 2010, over 1.5 million students took the National University Placement Exam and only 327,869 students were placed in a four-year university in Turkey. Turkish students are looking to foreign institutions for admission.

## Market Overview

Turkey is a quickly developing country, with the youngest population ratio in Europe and a clear market for overseas education. Turkey has a long history of placing great value in education and the pursuit of lifelong learning. Each year sees approximately 1.65 million Turkish students compete for only 529,000 entrance positions in post-secondary institutions.

- 2.5 million students are currently studying in the Turkish Higher Education System
- There are 141 State Universities, and 53 Private Universities in Turkey
- 1.5 million students will be seeking undergraduate education in August
- 800,000 students will be placed in undergraduate programs in Turkey
- 100,000 undergraduate students will seek education abroad

- 2 million undergraduate and graduates are currently looking for overseas education opportunities

## Fair Outline

Taking place in Izmir, Ankara, Istanbul (European and Asian sides), the exhibition takes place at the time of the year when students start seriously thinking about their next step in education.

In the past 10 years, over 500 different institutions from 35 countries have attended the International Student Fairs in Turkey to promote their schools and meet thousands of students at these events. The International Education Fair in Turkey attracts the best student participation. The fair has a reputation for attracting the highest quality students. It attracts the most capable and qualified candidates.

Did you know that each year over 1,5 million Turkish students take the National University Placement Exam, but only 30% of them are placed in a university in Turkey? According to the Ministry of Education Statistics, more than 25,000 Turkish students preferred to study abroad in 2004. Including summer school and short-term tourist visas, the total number of students going abroad is over 40,000 annually.

International Student Fairs in Turkey is known for being a pioneer in student recruitment fairs with its 20 years of experience in student recruitment. The fairs will utilize numerous forms of mass communication to deliver the best promotion which includes: local and national TV, radio, newspapers, magazines, billboards, text messaging, internet spots, etc.

The International Education Fairs in Turkey offer you a chance to meet thousands of eligible students, and it is a wonderful opportunity to network with many education agencies, local and international organisations, and foundations within a cost-effective budget.

The event will also include various social activities and we hope you will enjoy them!

# Poland - International Recruitment Tour - Fall

10 Oct 2024 - 13 Oct 2024

## Information

The specialised public fair for International Education is taking place in four cities of Poland for the representatives of language schools and executive centres, boarding schools and colleges, universities and business schools.

## Reasons to Attend

The International Recruitment Tour in Poland is one of the important specialised education abroad events. The fair features unique educational institutions that represent a wide range of educational and professional programmes: general, intensive and special language courses, basic and secondary education, further education and professional training, diploma programmes, BA/BSc, Masters/MBA, postgraduate and others. Visitors from various target groups including schoolchildren and their parents, young people and students, adults and business people, representatives of private and state companies and organisations, mass media. Each year the fairs

receive 2,000 – 5,000 visitors in each country.

## Market Overview

More and more students from Poland tend to look for opportunities to gain high-quality international education, professional training and experience. Foreign language courses are becoming increasingly popular among people of different ages and occupations. Every year the number of students going abroad to language schools and universities is steadily growing.

Poland has a long tradition of providing high-quality education. For young people, it is a vibrant and international environment with the possibility to make use of the latest developments in different study fields, which makes the region an attractive place for living and studying.

The fairs are free to access by the public, allowing visitors to get acquainted with the student fair's participants; their courses and programmes and to take enrolments. On the other hand, education providers have the opportunity to meet and support their education agents, the Baltic Council and to establish new contacts.

The success of this fair is based on the qualitative service and professionalism of the organizers combined with a broad promotion campaign providing return of investments for the fair's participants.

During the last several years Poland has become more attractive for education providers from all over the world. This is not a casual interest, but a developing tendency proving that the potential and demand for the educational industry abroad in the country is very high.

The potential for the development of the education industry abroad is very high in Poland and the demand for quality programmes will continue to grow.

## School & College Tour UK - Fall

17 Oct 2024 - 18 Oct 2024

### Information

School Tour UK is an excellent way to meet UK and international students and promote education at your university. It is a great opportunity to build relationships with careers advisers and heads in the leading schools in Midlands and Mid Wales.

Developing a presence in UK schools is one of the most important components in your strategy for the

successful UK student recruitment.

Each Tour lasts 3 days and we typically visit 6-8 high schools. The format for each day is presentations/mini-fairs in each school, school tour and a meeting with a Head of School or Head of Sixth Form as well as Head of Secondary School. The Tour will be concluded by an interesting cultural programme on one of the days of the event.
